#### THE PREMISE OF DHARMAYUDHA IN VISHISTA-ADVAITA SAMPRADAYA

The basis of dharmayudha according the Order Vishista-advaita Sampradaya is to exhaust all legal avenues in the material world to seek justice and when that fails adopt the spiritual path of truth-accommodation to deal with all who harass and terrorise you and try to destroy your integrity and peace of mind. When the art of resistance to persecution is perfected one is nonchalant, spontaneous and unpremeditated in all ones actions because the practitioner is working at the level of the Supermind which is as close to God residing dormant in his psyche as one can get to. One does not wish to go any deeper than that because the practitioner believes in living a human life by immersing himself or herself in Creation as a tribute to the Creator God.

Living entirely spiritually bring enemies in the material world who do not like the *raison d'être* within which the practitioner survives in the material world otherwise known as the samsara. They would like to eliminate them from amidst their society by hook or by crook. The faith however finds strength and a resourceful mind full of knowledge and awareness to spot the dangers to his survival and react to retain the dignity of liberty. He believes in truth exposure because truth is the spiritual path to God and its attainment is a treasure beyond compare.

So dealing with international criminals non-violently yet effectively requires a frame of mind that is simply blocking the criminals and when the State that one lives under is governed through criminality in being a Police State the warfare against the criminals is a continuous process that neither side wins. Or will truth prevail, as the saying goes. So the author over a 24 year period of developing this technique that is a form of yoga called satya-advaita yoga or the yoga of truth-accommodation is still in the game with a chance of victory against international criminals who have terrorised him and destroyed his livelihood to a bare minimum. He has not run out of resources yet to continue the battle. It will only end when all the persecutors are silenced into their cubby holes, which is when truth would be shown to have prevailed. This is the process of dharmayudha in the Sampradaya created by the author under the name of Swami Shantananda.

Dear Chanel

I received a very insulting email concerning this situation: See  
ToAnonymousscclCCUNNorway(MisterJonathonBodge)1Apr2022.docs but the matter seems to be in  
hand: FrCCMCC(injunctionProceedingsagainstKentPolice)1Apr2022.

I believe Jonathon Hodge of Nexa Law has the matter covered. Please check with him to see if he is acting for me as communicated here ToJonathonHodge(NexaLaw(Proposed Civil Claim against the Police)25Mar2022.docx.

Just to be on the safe side I will seek other Solicitors and Law Firms through Bark.

Kent Police cannot get away with this scot-free.

Kindly update my records accordingly

Dear Nlc

I have been let down, over the years by nearly 50 Solicitors/Law Firms (including the Citizens Advice Bureau) as you will note from the inaction of Jonathon Hodge of Nexa Law in relation to this Injunction matter: [ToJonathonHodge\(NexaLaw\(PropoedCivilActionagainstthePolice25Mar2022\).docs](#). With the inaction and refund of the Consultation Fee that I Paid Slater and Gordon of £150 for the same matter as well as adjoining criminal activities of BP in relation to the document that I brought to the attention of the District Judge at Medway County Court see [\(To|MedwayCountyCouirt\(InjunctiontoPreventKentPoliceInvestigationBP\).docx](#) and [ToMedwayCountyCourt\(DistrictJudgeInjunction\)1Apr2022](#), I am unrepresented (unless these lawyers that I am copying this email to come up with better proposals) and do not wish to consult a

new lawyer especially after Salmaan Islam of NorthFordsolicitors also said that he cannot help me without having to pay exorbitant sums of money for barristers and even Queens Council.

I would therefore have to do the best I can myself as a layman in legal matters and so plead upon the Court to forgive me if I go wrong with the procedures of the Court while I take out this injunction with the Court's approval that you have issued here.

I have roughly £1300 now in total of savings in my personal Bank Accounts, and the £1000 roughly of the occupational pension that I receive from my work for the Natural Resources Institute from 1979-1998 is entirely given over to my wife for household maintenance purposes. So please let me know if this would qualify me for Fee Exemption in total for the £332 Court Fee that you require from me and also let me know if I do need to submit N1 Claim Form at the same time.

We would like to draw your attention to the following guidance from the Independent Office for Police Conduct (IOPC) in relation to who can complain:

"A person can be considered as having been authorised to act on behalf of another for the purposes

of making a complaint if he or she has, and is able to produce, written consent from that other person”.

This means that, at present, we are unable to assess the complaint and make a decision as to whether it is a recordable complaint under the Police Reform and Social Responsibility Act 2011. Please provide written consent from Dr Shantanu Panigrahi for us to progress this matter. This consent cannot be typed, and will only be accepted via email if a scanned (or photographed) copy of the consent is included in the message.

Once this information has been received, your complaint will be assessed, and you will be sent a letter informing you how your complaint will be dealt with.

If you do not contact me within the next 28 days, starting the day after this letter is dated, we will assume that you do not wish to make a complaint. In that case it will be our intention to close the file and take no further action.

Yours sincerely,

Subject: Complaint

Good afternoon,

I write this to make a formal complaint about the way my husband, Dr Shantanu Panigrahi, was treated by three PCs on Wednesday, 24th November. PC Nicholls was heading the team.

He was arrested by the team from Tesco Warehouse, Snodland, on day one of his Induction in his new job. He was held in custody for 5 hours and interviewed over two email that were sent from his account to someone named Ms Sale. He came home distressed, stripped of his dignity and me and my daughter had a day of hell. I came out of a running bath to open the door at 8.30am and spent 30 mins with the team, answering their queries. I was in my dressing gown and did not have a chance to dress as they knocked on my door with force. Email from trolls, sent from Shantanu's email address to random people to get him into trouble, email of distressing nature to us from the trolls to intimidate and harass us, has been reported by us for years and years but no action has been taken but email from Ms Sale from the same trolls in his name has made you arrest him.

It should be noted that my husband is mentally ill and holding someone with paranoia and psychosis in a cell for 5 hours is extremely careless and may lead to him taking his own life when released.

You will hear from his GP soon but please refrain from visiting our house in the meantime. Please allow us to live. I will write again soon when our desktop which has been seized by you is returned.

This matter is serious and I am extremely furious that despite explaining about his mental health condition, his new job which could have been therapeutic, details about the activities by trolls, he was treated in such a degrading way and was humiliated in his workplace on the first day of his new job.

Frequent visits to our house by Kent Police has to stop. Please find the trolls, punish them and please leave my innocent husband and me alone. I used to see the Police as protectors but my views have changed.

Regards,

Rashmi Panigrahi

The Judicial and Law Enforcement Authorities of the United Kingdom

Dear Sirs

Despite my continuous efforts since 15 September 2021 since I was first interrogated by Kent Police and I protested my innocence with regards to the Katrina Sale Harassment by emails affair but with the subsequent arrest of me and the issue of a document NorthKentPoliceReleasewithoutBail.pdf I have failed to obtain an unofficial or an official injunction to prevent Kent Police intruding into my privacy, as attached ToMedwayCountyCourtccCCMCCFreshClaimKentPolice1Apr2022.docx.

So be it. The Police may have grounds to continue with its investigation of me for whatever offences I am deemed to have committed in relation to the document in which you will note that it clearly States: 'Alleged Offence: Other - Not Listed - PNC Recordable OIC PC OIC PC 46 15002 Nicholls'.

I would of course deny that any offences by me ever took place in reality and since 6 months has passed by with no sign of any progress in the police's investigation of this matter that I am aware of, I would like to have a copy of the materials recorded at the two interviews that were held, the first on 15 September 2021, and the next one on 24 November 2021, so that I may be able to discuss it with Hyda my appointed Duty Solicitor at Medway Police Station Pursers Way for defence in court proceedings that Kent Police could embark upon at some time in the future and in regard to which I fully accept that this is the correct way to proceed now that I have exhausted all legal resistance to this investigation by Kent Police.

Unless the Duty Solicitor accompanies me in Court following my consultations with her I will be unrepresented in any criminal proceedings and will attend the Magistrates Court at Medway Magistrates Court on my own because it is closer to my house and I am paranoid schizophrenic with persistent delusional disorders that the doctors prescribe Risperidone, Sertraline and Depakote (anti-psychotic, anti-depressant and mood-stabilising medications respectively) for. You have my consent to approach Dr Sondhi with whom I discussed my diagnosis and treatment a few days ago. He is based as a locum doctor at Long Catlis Road Surgery, Parkwood, Rainham.

I have included the Queen's Bench Judges Listing Office, North Kent Magistrates Court, Medway County Court, the CCMCC and the International Criminal Court as well as the Security Council through the Norway Membership so that they may consider the developments and add any comments to the proceedings.

Yours sincerely

Dear Nic

Dear Nlc

I have been let down, over the years by nearly 50 Solicitors/Law Firms (including the Citizens Advice Bureau) as you will note from the inaction of Jonathon Hodge of Nexa Law in relation to this Injunction matter: ToJonathonHodge(NexaLaw(PropoedCivilActionagainstthePolice25Mar2022.docs. With the inaction and refund of the Consultation Fee that I Paid Slater and Gordon of £150 for the same matter as well as adjoining criminal activities of BP in relation to the document that I brought to the attention of the District Judge at Medway County Court see (To|MedwayCountyCouirt(InjunctiontoPreventKentPoliceInvestigationBP).docx and ToMedwayCountyCourt(DistrictJudgeInjunction)1Apr2022, I am unrepresented (unless these lawyers that I am copying this email to come up with better proposals) and do not wish to consult a new lawyer especially after Salmaan Islam of NorthFordsolicitors also said that he cannot help me without having to pay exorbitant sums of money for barristers and even Queens Council.

I would therefore have to do the best I can myself as a layman in legal matters and so plead upon the Court to forgive me if I go wrong with the procedures of the Court while I take out this injunction with the Court's approval that you have issued here.

I have roughly £1300 now in total of savings in my personal Bank Accounts, and the £1000 roughly of the occupational pension that I receive from my work for the Natural Resources Institute from 1979-1998 is entirely given over to my wife for household maintenance purposes. So please let me know if this would qualify me for Fee Exemption in total for the £332 Court Fee that you require from me and also let me know if I do need to submit N1 Claim Form at the same time.

Good Morning,

Unfortunately, the Court cannot accept this as an application in its current informal format. You should seek legal advice in regard to filing this particular claim to make sure it is set out correctly and contains the correct evidence so that a Judge can make proper directions. The fee to issue this will be £332.

Dear Sir/Madam

1. With this email, I am applying to a District Judge at the Medway County Court to grant me an immediate injunction to prevent Kent Police to continue to investigate me for an allegation that has not been explained to me in any way shape or form in its substance, nor on who made the allegation against me; and despite extensive investigative procedures that I undertook since 15 September 2021 when I was first questioned by Kent Police on the matter till the Voice Mail message that I left for Mr Jonathon Hodge of Nexa Law this morning after sending the attached email to Slater and Gordon Solicitors and Law Bodies, there has been no outcome to the proceedings:

Dear Mr Sagher

The government is legally bound to refund me £4170 that I paid in costs as the Claimant in Claim E35YM660 on the grounds that HHJ Judge Parfitts Order of 19 January 2021 that formed the basis of District Judge Lightman's Order (both at the Central London County Court) were subsequently cancelled. The two Orders are attached as

CentralLondonCountyCourtOrderonE35YM660)19January2021\_receivedbyCaimantfirstat9.27amon 22March2021.pdf; CentralLondonCountyCourtOrder21June (DistrictJudgeLightman).pdf.

If the £4170 that I paid in good faith immediately on receipt of the email from Adele is not refunded within 7 days legal action will follow against Mr Boris Johnson as the present Prime Minister.

Yours sincerely

In the County Court at Central London

Claim Number E35YM660

Date 19 January 2021

(The County Court Sealed)

DR SHANTANU PANIGRAHI 1st Claimant Ref

MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1st Defendant Ref

Z1819776/H019

Before His Honour Judge Parfitt sitting at the County Court at Central London, Thomas More Building, Royal Courts of Justice, Strand, London, WC2A 2LL.

On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submission and on the Appellant's request to reconsider the permission to appeal refused by HHJ Letham by Order dated 30 September 2019

## IT IS ORDERED THAT

1. The request to reconsider permission is refused.
2. The Appellant's application was totally without merit: the DDJ's Order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance – since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5 (2)(a) and the Respondent's letter dated 13 January 2021 and two cost schedules contained in the Appeal bundle (in pdf format) shall be treated as application in that respect.
4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.

Dated 19 January 2021

Maybe the maximally stupid lawyer you found, Jonathon Bodge, who you enjoy taunting by calling him Jonathan H., is taken in. He is yet to grasp that he is on the start of a most painful

And lengthy journey where his reputation is shredded. The phone call "because the email may be compromised" was side-splitting to overhear.

Best I can say of Mister Bodge is he is a bit better than Mister Benny "Hill" John from Goa.

Time must be ripe to add these new duped fool lawyers, or make-believe lawyers like Mister John, to <http://alturl.com/57bt4>

But not before you/me/we turn the screws to get money from them.

Time now to check my clock. Better explain that too to Mister Bodge. How many of you or us are there inside?

Dear Veronica

The Metropolitan Police have done exactly the right thing in this matter by not disclosing who the 15 people were that received the 20 fixed penalty notices for it would be totally unfair for these individuals grossly infringing on their human rights as well as civil rights. The venues at which those fined can likewise not be disclosed by the Police nor by the government for the same reason, It is for those individuals who have been fined to take legal action against the Metropolitan Police and for a Court of Law to decide whether they were rightly fined with Fixed penalty Notices if the individuals wish to take this course of action. If even one of those individuals takes such an action against the Metropolitan Police for discrimination in the issue of the fines and cites the grounds that that they were attending the parties at the invitation of the government at 10 Downing Street or elsewhere, that is the only mechanism which I will support. The Court can then force the Metropolitan Police to release the names of all the people to whom the questionnaires were sent and ask the Metropolitan Police for the reason that others were not. This will make the case for discrimination against those following effectively orders in the form of invitations to attend the parties from others who have not been issued with the Fines, including the Prime Minister himself. For this reason I am unable to sign your letter to No 10 Downing Street.

Yours sincerely

Dear Shantanu,

It's been a long wait and a lot has happened. But this week, there was finally an update on the partygate scandal, where party after party took place in Downing Street during lockdown, as government ministers and officials flouted the strict rules they asked the rest of us to follow. [1] The Met Police have finally revealed that as part of their investigation into these parties, they have issued 20 lockdown fines to 15 people. But they've also announced that they won't name who has been fined, or even confirm which events the fines relate to. [2]

Shantanu, do you think that's good enough?

After all we went through, the least we deserve is to know whether our lockdown rulemakers were also lockdown rulebreakers. None of us can forget the extraordinary sacrifices so many of us made during lockdown, and the kick in the teeth we felt when we discovered the same rules hadn't been followed in Downing Street. [3]

Shantanu, will you add your name to the open letter demanding Downing Street names those lawmakers and senior officials who have been fined? You can add your name with one click below, and for every 100 names we receive, we'll send them a notification. There'll also be a chance to write to your MP and let them know what you want to happen next.

YES, I'LL ADD MY NAME

I'M NOT SIGNING THIS BECAUSE...

Here's the full text of the open letter:

*To: Number 10 Downing Street*

*We - the British public - made huge sacrifices during lockdown. Many of us still live with the pain and regret of the things we missed out on because we were following the rules. From millions spending birthdays alone, to the disappointment of Christmas plans cancelled at the last minute, to families*

*unable to say final goodbyes to their loved ones. But we know now that some of the people who wrote these rules also broke them and it's time the full story was shared.*  
*After all we have been through, and for the sake of democracy, we demand the full details about fines issued to Downing Street party goers be made public, so our lawmakers can be held to account.*  
 Signed,

*Thousands of members of the British public*

YES, I'LL ADD MY NAME

I'M NOT SIGNING THIS BECAUSE...

Thanks for all you do,

Here at Spectrum Law, we are different to a normal law firm in that we are not regulated by the Solicitors Regulation Authority. This means that we still have the ability to undertake most types of work but we charge a lot less than solicitors and barristers. We are so sure of our fees that we guarantee to beat any quote you have from a solicitor by 60%. You will still get the same level of skill and expertise. At Spectrum Law, we always fight and never give in. Too many lawyers today simply take your money and do not do the best for you. We will work hard to get you the result you want. We speak in plain English and will tell you how it is.

We are a team of paralegals and Public Access barristers. We have over 15 years of experience in dispute resolution, employment, and family law. Together, we reflected on what is going to be urgently needed by businesses and individuals in the times to come? The answer is – high-quality legal assistance and representation at prices that businesses and people just like you can afford. The numbers of failing businesses, jobs lost due to redundancies, and breakdowns of relationships are increasing daily. We have come up with a way to provide quality legal services starting with a free 1-hour consultation and charged at £75 per hour. We do this by cutting costs, embracing technology, working from home, and creating jobs for the members of the legal profession who were subject to job cuts. Your Fresh Law team.

My name is Kuldeep S. Clair and I am a Consultant Solicitor with 25 years of expertise. I provide a full legal consultancy, including advocacy (representation) in courts and tribunals. I can offer remote consultations by phone/video at short notice if necessary. I have the skill and resources to provide a cutting-edge legal service as would be expected from lawyers in the City (near Blackfriars, where my main office is based). I can quote a fixed fee in advance for work which is easily definable and predictable. Just email me or call direct, whether inside or outside of working hours and please describe your problem. If I am not available, I will call back as a matter of urgency. We are fully regulated by the Solicitors Regulation Authority. Being a solicitor is a positive advantage because it means that we operate to specific high standards. You are protected if things were to go wrong. I am not merely a legal clerk, law student or trainee who has read a few law books! I perform the work for you 100% myself; I don't farm it out to an anonymous third party and take a slice of the fee, as do many claims management companies or so-called 'lawyers'. And the fact that you have a competent experienced solicitor need not mean that we are ridiculously expensive. You will be pleasantly surprised. The quality of my service is guaranteed to be the best that you will find in my fields of law, which the countless genuine reviews from satisfied clients here on Bark show. Please take a look. When you contact me, please do it direct, either by calling me or emailing. You can find the details by looking on Google as well. You will get a guaranteed quick response and quote. I will make myself available on evenings and weekends in urgent cases. Please check out the weblink at [www.kscllegal.co.uk](http://www.kscllegal.co.uk) Fees start from £250 exc vat for a detailed consultation, depending on the nature of the matter. No hidden extras. I am afraid that we do not have a legal aid contract. Fees can either be charged in two ways, agreed in advance: hourly or fixed. It is that simple!

Natasha qualified as a solicitor in 2007 and now works as a Consultant Solicitor. Natasha is consulting for Nexa Law currently and her profile can be found on their website at <https://www.nexa.law/meet-the-team/natasha-banjo>. Natasha has spent the majority of her career within the field of civil litigation specialising in professional negligence, personal injury and clinical negligence work. For the last 10 years she has been a Partner of a firm and has headed up teams specialising in the above areas of law. She has a passion for ensuring that those who are victims of

negligence receive the compensation that they deserve. Background Natasha has vast experience in the area of civil litigation and after gaining a distinction in the Legal Practice Course went on to train at a niche law firm in Cheshire where she obtained invaluable experience shadowing a Senior Partner and working on her own case load including the notable Court of Appeal case of *Casey v Cartwright* which changed the personal injury field in terms of how low value impact cases are dealt with, leading her to begin her career as a Solicitor. Natasha soon advanced to the field of management of a team of Solicitors whilst looking after her own high value and complex case load and thereafter became a Partner, further developing her skillset and gaining a vast array of experience in the field of clinical negligence. Natasha has a reputation for not only working to the best of her ability using the vast amount of legal knowledge and know how she has learnt during her career, but also of sympathising with clients' situations and wanting to do her absolute best to ensure that they receive the maximum level of compensation to which they are entitled. She deals with not only personal injury and clinical negligence work but has developed more recently a particular specialism with regard to issues surrounding the financial mis-selling of products. Her philosophy is quite simply that no matter what the value of the claim, each client deserves the same level of expertise and attention to detail. Natasha in view of this philosophy deals not only with very high value and complex matters, which have claim values of over £1,000,000.00 but will also happily deal with claims of a much lower value ensuring that all her clients get the very best personal service from an experienced qualified Solicitor. Natasha is quite often confident and happy to deal with matters that she is instructed on, on a No Win No Fee basis. Natasha is happy to deal with matters nationwide and can arrange home visits where necessary. Areas of expertise Personal Injury, Clinical Negligence, Dental Negligence, General Civil Litigation to include negligence claims and contract disputes and claims brought pursuant to the Consumer Credit Act 1974 due to unfair creditor/debtor relationships. Case Studies Natasha acted for a lady who was injured as a result of a road traffic accident in what was a relatively low velocity impact rear end shunt. Although her client sustained no bony injury, Natasha using her experience in the field of personal injury looked into possible alternative reasons for her client's continued pain and ultimately achieved settlement in the sum of £250,000.00 due to her client having developed Fibromyalgia. Natasha acted for a motorcyclist who was involved in a road traffic accident and was knocked off his motorcycle when filtering stationary traffic at speed on the wrong side of the road. Although liability was disputed, using her experience in this area of the law and specifically in relation to the law of negligence Natasha was able to achieve settlement for her client in the sum of £110,000.00. Natasha acted for a gentleman whose elderly father had died as a result of a failure of a Hospital to dispense him with medication following a diagnosis of cancer. Although the evidence pointed to the father having been provided the medication, Natasha fought hard believing in her client and his instructions and managed to achieve a settlement of the claim in the sum of £2,500.00. Whilst the damages were relatively small in this matter in view of the issue of causation and the likelihood of the client's father having passed away in any event, Natasha felt strongly that this client should have the necessary legal representation to ensure that his voice was heard and that practices within the hospital were changed.
